

Message from the Mayor

It is with great pleasure that I address you as we mark our 3rd Anniversary of the incorporation of Beaubassin-est! Since our beginnings, several people devoted a lot of their time in order to develop the full potential of this municipal structure and we are very satisfied of its accomplishments to this day. The entire population equally has played an important role to overcome the challenges that awaited us in 2006 and for this, the council thanks you. By way of recognition, we invite you to come and celebrate the realizations of your community with us at our family BBQ on Thursdays July 30th from 4-7pm. This celebration will certainly entertain people of all the ages. It is our pleasure to welcome you among us!

Sincerely,

Ola Drisdelle
